HOME EC'ERS DECORATE FOR CHRISTMAS

The Home Ec. I, girls are helping Santa Claus lately by making some beautiful gifts and decorations for Christmas. Some are very professional looking and all are lovely.

They started on candles first. Almost every color, shape, and size of candle was made. They will all make wonderful gifts or decorations.

Next they made unusual dresses for dolls. These dresses were made from cotton milk filters and yarn. The girls came up with some original and very attractive creations. These, also make wonderful gifts.

The latest of their work is making plaster-of-paris pictures and painting them. It is a pretty good guess that many of these will become beautiful Christmas presents.

PARENT BACK IN SCHOOL AT P.T.A. MEETING

The P.T.A. sponsored a "Back to School Night" on the evening of November 25. First on the program was the regular business meeting. Following this, the parents attended the student's classes which lasted seven minutes. In each class the teachers explained the purpose of the course and what the students were learning.

Refreshments of cake and coffee were then served as a closing.

Four Senior members were there to help the parents find their way from room to room.

Goal Reached for Band Uniforms

The funds for sixty band uniforms has been donated. The following individuals, clubs and organizations donated: Kiwanis (10), J. C. Penney Co. (1), Prairie Lumber Co. (1), Chairity Grange (1), P.T.A. (3), Gene's Recreation (1), Union Warehouse (10), Soroptimist Club (2), Owl Drug (1), Hoene Implement (1), Grangeville Foods (1), Fred Jessup (1), Landreth Bros. (1), Free Press (1), American Legion Auxiliary (1), Norman Dean (1), Imperial Hotel (1), R. D. Williams (1), Brown Motors (1), I.O.O.F. (1), Garet Workman (1), Border Days Committee (3), Table Supply (1), Gortsema Motors (1), Jess Robertson (1), Don Cressler (1), Dr. Kale (1), Lindsley Electric (1), Henry Vanderwall (1), Washington Water Power (1), A. F. Co. (1), Blue Fox Theatre (1), Rebekahs (1), Shopperette (1), Jay-Cettes (1), Lions Club (1), and Jobs Daughters (1).

The band students have been measured for the band uniforms and the order has been placed. As soon as the uniforms arrive the band will present a concert. Mr. Lyon expects this to be sometime in January.

GYM TAKES ON NEW LOOK

During the month of December the gym has taken on a new look. The floor space has been widened on each side about three feet. This was done by taking out the first row of seats and laying a new floor where the rows formerly stood. This adds much to the looks of the gym. The basketball boys helped with this work.

To Present Xmas Assembly

The Dramatics Club, a newly organized club this year, will present a Christmas Assembly the afternoon before vacation. This will be put on for the High School, P.T.A., and Junior High.

At the beginning of the assembly, Student Body President, Bill Wagner, will light the tree.

Arrangements have been made to have Santa Claus there, that is, if Don Kissinger is still with us.

Come with your spirits high and prepared to sing your loudest. Mr. Lyon will lead us in singing some old favorite carols. The P.T.A. has promised to entertain us with a vocal soloist. Also there will be selections by the High School triple trio, a girls choral reading group, and the Junior High triple trio.

The Freshmen are going to put us in full Christmas spirit by decorating a tree for the auditorium.

The March of Dimes is especially deserving of support because polio is the only epidemic disease in the United States still on the increase.

"Twas the night before Christmas when all through the house"—It's Christmas time again. When hearts are light and children dream of a jolly man named Santa Claus; when there is music in the air and snow upon the ground. Uh, oh, there isn't any snow but, there is music, and the annual Christmas Concert will be held Monday, December 22 in the high school auditorium.

The high school mixed chorus will sing five songs arranged by Fred Waring including "Susanni", "A Musical Christmas Card", "Lullaby", "Winter Wonderland," and "Twas the Night Before Christmas", which by itself, takes ten minutes to perform. They will also sing "The Conventry Carol", "Christians Awake", "Christ's Slumber Song", "Christmas Eve", and the program will end with the ever popular, always beautiful, "Silent Night".

During the program, Karen Jordan, will sing "Oh Holy Night." The Jr. High Triple Trio and the Sr. High Triple Trio will each sing two songs. The Jr. High chorus will sing "Merry Christmas", and "Deck the Halls."

The program promises to be a good one and there should be a big crowd to hear the efforts of this hard working chorus.

EDITORIAL

This year the merchants and townspeople of Grangeville have shown a great interest in the school and its activities.

During football season, several business houses closed to attend the games and supported the local team. They were also enthused about our Homecoming events and promised to support it in the following years.

The project of lighting the football field would have taken a great deal more time, had the townspeople and businessmen not given it such great support. Individuals, organizations, and businesses donated time, money, and equipment to speed up the completion of the project.

The whole community in general took a great interest in the project of purchasing new band uniforms. In less than 3 months time, the goal of 60 new band uniforms had been reached. Money for this project was donated by individuals, civic and fraternal organizations, and businesses. These uniforms were badly needed and the band greatly appreciated this help that the community gave them.

LETTER TO THE EDITOR

Dear Editor:

In the November issue of the Informal Informer in the article "What If," there was a sentence reading "We had only three years of school." This must have been written by an underclassman, for a senior could never write such a statement. Most of us seniors wish we could have three more years of school.

You really don't get this feeling until you are a senior, then you start to think about it. And when it hits you, it really bothers you. Wait until many of the underclassmen, who wish they were seniors now, get to be seniors and then they will have the same feeling.

I've heard the comments that the senior girls are the silliest bunch in school. I'd like to explain that we are trying to get all the fun of being young and silly into the remaining months of school.

Please understand that I am not criticizing the underclassmen. Because of the ambitions and friendly underclassmen we are experiencing one of the best years this high school has ever seen.

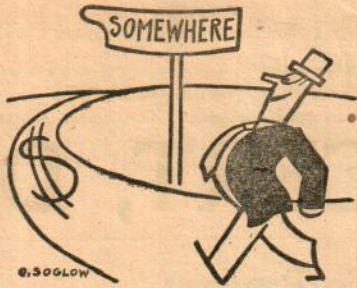

Congratulations to the Informal Informer Staff. You turn out a swell paper.—Deloris Chicane.

"CRACKING DOWN ON THE WALLS"

Don't worry. There's no cause for alarm. This isn't an insane asylum. No, those people that you see eyeing the walls as they go from class to class are not eccentric. Why do they shy away from the outside of the corridors and crowd toward the center? Take a look for yourself. Hey, come back here! I'm not through explaining yet. No one can—Oh all right come on outside if it will help you feel any safer. I can't talk to anyone who has his eyes on the wall above his head and one foot through the nearest window. Now, as I was saying, no one can quite figure it out so far. They just seemed to be there. A lot of angles have been considered, but there still seems to be no suitable answer.

There is, undoubtedly, some simple explanation to our lemma. Some one suggested that it could have been caused by the sudden invasion of school by so many students. Then again perhaps the shock of so many size ten and eleven pairs of feet caused it. Who knows, if the situa-

growing the schools foundations. Worry! Worry! We've racked our brains in trying to find out what has caused the notable appearance of so many cracks in the walls. Why the other day a scene was witnessed by some now thoroughly concerned students. A very brave student, who because he modestly forbids us to do so, does not have his name written here, was sitting on the outraged janitor in order to restrain him. Having been asked what had caused the outburst, we finally determined that the janitor had attempted to brush those "cobwebs" from the walls. When he discovered that they were apparently stationary he had showed such a fit or rage that this one particular student had become alarmed and had quickly tackled the fuming janitor who, he presumed, had gone mad.

Before we all are driven crazy by their predominating appearance, someone may think up a good excuse for objecting to those ever-present cracks in the walls and will fix them. Don't be afraid. You're positively white. Those walls are still fairly stable. There's no chance of their suddenly collapsing—Yipe! There they go! Duck everyone!

You know children are growing up when they start asking questions that have answers.

All-District Band At Lapwai

All-District Band was held at Lapwai, November 13. 101 band students from the various schools in the area took part in the band. Representing Grangeville were: Sharon Rupe, Pat Pell, Karen Jordan, Jimmy Glenny, Bonita Becker, Eddie Kale, Nick Andrews, Jane Heron and Shirley Kaufman.

The band rehearsed during the morning and afternoon for a concert which was given that evening. During the concert a novelty was presented by some of the band directors. This novelty was a fife, jug and bottle band. Grangeville's director, Mr. Lyon, took part in this.

The Grangeville band students are looking forward to the next all-district band, which will be held in February.

Over The Top

Each year contributions are solicited from the schools for the Lewiston Children's Home. It is usually done through the sale of red hearts. But this year instead of selling red hearts, small envelopes were distributed among the students and they contributed whatever amount they wished.

The drive in the school this year was sponsored by the Informer Staff. The total amount donated by the school was \$148.75, a gain of \$52.80 over last years contribution.

This money will go toward purchasing necessary items for the children in the Home.

Mrs. Ailor Speaks to F.H.A.

At the last meeting of the F.H.A. on Thursday, Dec. 4, Mrs. Ailor spoke to the group, explaining floral decorations and corsages. The meeting was a home meeting held at Karen Jordan's home.

The group discussed the annual holly sale, and the purchase of a tea service set for the school.

Refreshments were served by the Sophomore girls.

Chorus Clinic

The All-District Choral Clinic, held Saturday December 6, was the first to be held in this district. The schools participating were Moscow, Potlatch, Lewiston, Lapwai, Craigmont, Cottonwood, Asotin, Kamiah, Kendrick and Grangeville.

Registration started at 9:30. The chorus rehearsed in the morning and in the afternoon. A mixer was held in the old gym at 4:00 p.m. for the students participating in the chorus. Everyone had a good time.

A concert was given by the chorus at 8:00 that evening. In addition to the selections of the chorus, a vocal duet from Lewiston and a double mixed-quartet from Asotin presented their own selections.

The chorus directors hope that the participants gained experience and had an enjoyable time.

THANKSGIVING ASSEMBLY

The Thanksgiving assembly was opened by the Triple Trio singing "Father, We Thank Thee." This was followed by a reading by Shirley Rhoades. The Triple Trio sang "America, My Own" next, then Jane Heron gave a reading. Joan Moore sang "Bless This House". The assembly was closed by a prayer given by Deloris Chicane.

The assembly was given before dismissal for Thanksgiving vacation November 24.

F.H.A. On Talent Time

"It's Talent Time" was the opening line of the program presented over K.R.L.C. Saturday, Dec. 6 at 10:15 a.m. by six F.H.A. girls.

The girls, Jean Todhunter, Sharon Rupe, Shirley Rhoades, Deloris Chicane, Marlene Walker, and Mary Kay Dufur, went to Lewiston Friday afternoon, Dec. 5 and recorded the broadcast. The broadcast was transcribed over the air the following morning.

In the broadcast the girls told about F.H.A. and sang three of the F.H.A. songs. Marlene played two piano selections.

This was the second opportunity given Grangeville to help with this program; the previous program used "The High School in General" as a topic. The program "Talent Time" is sponsored by Skelton's Specialty Shop of Lewiston.

V.F.W. DANCE FOR STUDENTS

The V.F.W. sponsored a second dance for high school students on November 28. Music was by records and refreshments of sandwiches and pop were served.

Signs of Christmas

By Patsy Potter

American businessmen all over the nation have made millions of dollars from the sale of Christmas gifts, decorations, music, etc. This is because we Americans have made Christmas such an important holiday.

In schools, homes factories, and in just about every place you can mention, December 25th is an occasion to be prepared for with eagerness.

In school especially, you will note definite signs of something about to happen. Bright faces can be interpreted as saying that Christmas vacation is approaching rapidly.

Although students outlook concerning the coming holiday is quite general, teachers probably have their own ideas. A lot of them maintain that the separation from school work does wonderful things for some students memories. Its coming makes some students restless (and reckless). Assignments don't seem to have their usual punctuality. In fact everything is in what you might call a mess.

The most definite indication of Christmas is the spirit which is shown by the younger group. A truer one is not yet found. Santa Claus becomes a revered person who is present in the minds of each and every one of the admirers of certain longed-for objects.

The topic of the entire human race seems to concern Christmas. Everyone has the spirit except possibly a few "Old Scrooges". They might hate to admit it, but I believe they feel it too.

Have fun, Merry Christmas, and we'll see you all next year.

"G" CLUB SPONSORS SEMI-FORMAL

The Boys' "G" Club of Grangeville High School sponsored the first semi-formal dance in the history of the club on November 26 in the old gym.

The gym was decorated in blue and white with basketball and football cut-outs to represent both the school colors and the "G" Club.

Music was furnished by the "Lucky Four Orchestra" consisting of Mr. and Mrs. Block, piano and voice; Mr. Hampel, electric guitar; and Mr. Eimers, the complete drum section. They played a great variety of pieces for the enjoyment of everyone from popular hit tunes to old time favorites.

The more the student body supports these school dances, the more dances will be given. A good turnout contributes toward more fun and enjoyment for the whole crowd as well as helping the organizations giving them.

Bulldogs Stop Orofino 40-33

Controlling the back-boards throughout the entire game the Bulldogs defeated the Orofino Maniacs 40-33.

A cautious first quarter saw each team feeling out their opponents. The Bulldogs scored the only field goal of the period to give them a 6-4 lead. The second quarter picked up, but the lid was still on the hoop for both teams as many close shots bounded away from the rim. When the buzzer sounded the Bulldogs had a slim 21-20 half time lead.

The third frame was all Grangeville as they pulled ahead 33-27. In the final period the Bulldogs exhibited good team work to control the ball from the fast breaking Maniacs to come out on top 40-33.

In the preliminary the Bulldog "B's" won their first game 36-33. Smith led scoring for Grangeville with 16 counters.

Bulldogs Drop To Cottonwood

Cottonwood stopped the Bulldogs Saturday night in the Mustang gymnasium 32-29. Leading 18-11 at half time over Grangeville, the West Siders saw their lead melt to one point 20-21 at the end of the third quarter. The fourth quarter was a see-saw affair, but the Mustangs couldn't be headed.

Although the Bulldogs made one more field goal (8-7) and made 62% of their free throws, (13 for 21) Cottonwood dunked 18 of 33 attempts from the foul line for 54%.

Grangeville was whistled down 21 times and lost Hardin (3rd quarter) and Vopat, and Johnson via the foul route.

The Mustangs lost Ray Huntley via fouls as they were tooted down 11 times.

Gary Asker made 3 field goals and 4 free throws for 10 points. For Grangeville Glen Johnson dunked 3 field goals and 2 free throws for 8.
